VINEYARD SOURCING | French Camp Vineyard

APPELLATION | Paso Robles Highlands District

VINEYARD DESCRIPTION

The French Camp vineyard rests in the rain shadow of black mountain in the southeastern corner of the Paso Robles AVA. Because of its proximity to the mountains and the drainage that comes from them, French Camp enjoys almost a 50-degree diurnal shift between the high temperature of the day and the cool of the night.

VINTAGE DETAILS

The smaller clusters and fewer overall clusters resulted in lower yields compared to previous years. This lower yield often leads to higher quality. When the vine's resources are concentrated on a smaller number of berries, it can enhance the flavor profile of the fruit, creating a more intense and concentrated flavor experience.

SOILS | Alluvial

WINEMAKER NOTES

Harvested at night. This wine was then fermented with skins for 14 days. Aged 12 months with French oak. Expression of richness and power of Paso Robles AVA.

TASTING NOTES

Our Cabernet Sauvignon opens with notes of jammy dark black fruit, leather, licorice, chalky tannins, and brown spice. The core of dark fruit serves as the foundation offering depth and intensity leading to a well-rounded experience.

Here's to celebrating independent thinking and reveling in the Pandemonium that's created when one challenges to status quo. Much like how the masters of abstract expressionism pioneered a bold, visually chaotic style - forever changing the way people look at fine art - we relish in pushing boundaries and redefining the way people look at fine wine.
