

Butternut

Made with Organic Grapes

2022 Butternut Pinot Noir

CALIFORNIA

Tasting Notes

Made with organic grapes, this Pinot Noir offers an irresistible combination of black cherry and red berry aromas, layered with hints of five spice and vanilla. On the palate, the rich, medium-bodied flavors mirror the aromas, with fine tannins leading to a smooth mid-palate of sweet clove, coconut, and warm spices. The long, layered finish makes every sip memorable.

Food Pairings

Pairs beautifully with roast pork seasoned with fennel and herbs, beet salad with goat cheese, or a comforting wild mushroom risotto. A versatile choice for a variety of dishes and occasions.
